AMES A. FRAZIER PROPRIETOR. OPEN TO THE PUBLIC JUNE 1ST. APACITY......EIGHT HUNDRED. This celebrate I watering-place will be kept in a This celegrated watering-place will be kept in style unsurp-issed in the mountains of Virginia. As to the qualities of the waters and the high regard in which they are held by the "medical savins" the render is referred to the pamphlet at Mesers. Purcell, Ladd & Co.'s, who are agents for Messrs. Purcell, Ladd & Co.'s, who are agents for the water and sits.

Among the great features of these Springs are the Amusements, which are varied, and far surpass those of any watering-place in Virginia. The Grand Masque Balls and Carnival in spiendor and brillancy surpass anything ever witnessed in this section of the country. In fact, nothing of the kind has ever been attempted by any other summer resort, and nothing but a desire to lead could have induced the immense outlay necessary to secure Moxley, the incomparable Washington costumer, with his regiment of assistants, car-k-ads of costumes, tons of threworks, and thousands of Chinese lanterns, and eceans of evergreens.

The Grand Carnival, which precedes the bal masque one night, is led by Professor Rittenhouse's full brass band, followed by Major-General B. in command of the Mulligan Guards and his far-famed and thoroughly-trained el-phant Coley; and General L. follows with a counterpart of P. T. Barnum's men. This pageant, passing through the beautiful lawn that nature seems to have designed for just such scanes, all lighted up with the thousends of lanterns and calcium lights, with fireworks of the most beautiful description in full play all over the grounds, presents a sight that pen cannot describe, and must be seen to be appreciated. Therefore all good Richmond citizens, especially the young, are expected up this summer.
